## CHAIRMAN'S WELCOME TO OUR 2023 BROCHURE

Hello Everyone,

This year will show a lot of changes in the committee members. I have taken over as Chairman and Sue has taken over as Secretary from Kath Young, we both have very hard acts to follow but we will do our very best to progress the centre forward through the next few years.

May I say once again, on the Centres behalf, a huge Thank You to Dave and Kath for all their hard work over the many years they have served the Centre.

We have three new younger committee members on board, Paul, Nicola and Mike and we have also been joined by June and Tim, who will hopefully bring new ideas to the table and help us move forward in these changing times.

We have a good and varied rally programme for you in 2023 thanks to Denis and his sub-committee, with several new venues, holiday rallies and all sorts of rallies of varying lengths and themes with hopefully something to suit everybody.

The dinner dance held in 2022 was judged to be a great success and we will be holding it this year at the same venue, The Rix Pavilion at Driffield Showground on the 25th March. In conjunction with the event we will have a three day rally on the Showground, so there is no travelling and don't forget that you can take in your own drinks.

The Chairman's Rally this year is at a brand new venue, Rillington, about 10 miles outside Scarborough, on a beautiful level grassed area with two night's professional entertainment in the tents and other socials planned. We will also be running the Centre Sports on the Saturday Morning, so get practising.

We would like to see more children on our rallies, so if you can suggest anything which may entice them to come, have a word with one of the committee and we will try to accommodate any ideas.

If on your travels you come across any venue, in our area or not, please bring it to our attention and we will see if it's suitable for our needs.

You will see that some of the rallies have increased in price; we can assure you that in every instance this is due to an increase by the site owners. Denis does his best to keep the costs down to a minimum but sometimes market forces dictate that we have to accept an increase in costs.

Please take care and keep safe and we look forward to seeing you on the rally field in 2023.

*John & Sue*

# 2022 CHARITY REPORT & CHARITY DETAILS FOR 2023

The photograph shows (left to right): Mr Nicholas Smith, Mr David Woolley, Ron Warner and Matthew Simms.

We'd like to say a big "thank you" to members of East Yorkshire Caravan and Motor Home Club who have donated £3,700 to fund new equipment for our Da Vinci Robotic Suite.

Club member Ron Warner contacted Wendy Brooksby, medical secretary to Consultant Urological Surgeons Matthew Simms and Nicholas Smith, about making a donation to fund their vital work to save lives.

Each year, the club raises money for a different charity and members had chosen to raise money to support treatment of prostate cancer.

The club raised a staggering £3,700 and met members of robotic surgery team at a special reception in the seminar room at Urology at Castle Hill to hand over the cheque.

The donation will pay for audio visual monitor screens to help the training of robotics surgeons in a range of life-saving procedures for patients with diseases including prostate cancer, bladder cancer, colorectal conditions and gynaecological problems.

We're really grateful to all members of the East Yorkshire Caravan and Motor Home Club for raising such a fantastic amount and thank them on behalf of all of us at Hull University Teaching Hospitals NHS Trust.

## 2023 charity is called WISHH.

**Working Independently to Support Hull Hospitals.**

The charity provides independent support for patients in Hull Hospitals.

WISHH raises funds through appeals and donations to enhance Hull Royal Infirmary and Castle Hill Hospitals. The section that the Centre will be raising money for is the Anlaby Suite, which deals with children and young people who have been in danger and provides the 'added extras' to improve and enhance facilities, equipment and services above and beyond NHS budgets for the benefit of patients, their loved ones, visitors and staff cared for across their hospitals.

Each year, Hull University Teaching Hospitals provides care for approximately 49,000 babies, children and young people with a variety of health problems, conditions, and other childhood illnesses. These include those who are critically ill and who stay in the High Dependency Unit for care with cancer, complex needs or other significant disabilities, as well as premature babies cared for within the Neonatal Unit. A number of these babies and children need to stay in hospital for an extended period of time, placing additional pressures on their families.

The Anlaby Suite is a safe environment at Hull Royal Infirmary for vulnerable children and young people at risk of harm. A specialist safeguarding team undertake forensic medical examinations as part of joint investigations between the police and children's social care where there is a concern where a child may have been harmed. WISHH provide distraction bags, which include a range of books, activities, games, colouring and a soft toy for the child. They have also worked alongside the team to enhance the suite's environment with wall art to help create a calming environment.

The distraction packs mentioned above cost around £70.00 each and it is hoped that we can raise money to purchase a number of these.

6.3 Officers shall be elected, and an Independent Accountant appointed (see Rule 2.1.2), at each AGM to hold office until the next AGM. All officers and other Committee members must be paid-up Club members and be registered with the Centre throughout their period of office. Centres may adopt their own additional rules governing the eligibility for re-election of their officers and other Committee members.

## RALLY RULES AND INFORMATION PREFACE UPDATED 25th SEPTEMBER 2022

Rally Rules have evolved from experience gained at past rallies and are designed first to protect, so far as possible the safety of Members, their families and property when attending rallies and second to maintain acceptable standards on the Rally Field.

The Rally Rules are supplementary to the Caravan Club Rules and East Yorkshire Centre Rules.

### ORGANISATION AND RESPONSIBILITIES

1. The authority for the conduct of the Rally shall be vested, for the time being, in the Rally Marshal, who shall be an East Yorkshire Centre Full, Joint or Family Member or a Member of the Youth Group Committee or his appointed deputy for the time being, who, in the event of a member breaking these rules shall be authorised to request such member to remove his caravan from the site. The Rally Marshal shall report the matter immediately to the Centre Committee for such action as shall be deemed necessary.

2. The attendance at the site and/or payment of rally fees shall be an acceptance by the member of these rules.

3. The Centre Committee reserves the right to refuse the use of the rally site to any member, or to request any member to remove his caravan without being obliged to give a reason.

4. The receipt by the Rally Marshal of the booking slip and booking fee at least ten days prior to the rally shall be a prerequisite to the supply of rally plaques and newspapers to the member. No member shall be entitled to a rally plaque unless he attends the rally for at least one night with his caravan. Slips will not normally be acknowledged. On Weekend Rallies the Rally Marshal will, if possible, obtain the newspaper of your choice on Saturday and Sunday. Newspapers to be paid for on arrival at the rally.

5. There is no responsibility by the Club, Centre or Rally Marshal for accidents, damage or loss however caused.

6. Other than in exceptional circumstances any site or part of a site on which a Rally is held shall be for the exclusive use of the Caravan Club.

### FINANCE

7. The Booking Fee for a Rally is to be enclosed with the Rally Booking Slip, and except when the Rally is cancelled, is not returnable. Unless previously paid, all other fees shall be paid on arrival at the site.

8. Any member who having booked a Rally, fails to attend the Rally without giving advance notice of non-attendance to the Rally Marshal, or in the event of not being able to contact the Rally Marshal, one of the Centre Officers, Vice-Chairman or Rally Secretary, will be liable to pay the balance of any Rally fee due, together with the cost of any newspapers or social tickets as ordered on the booking slip. The Centre Treasurer will advise members of any amounts due under this rule on receipt of the relevant Rally return, and payment should be forwarded within 7 days.

### SAFETY

9. The speed limit on the site is WALKING PACE (i.e. 5 m.p.h.). Only fully licensed drivers are allowed to drive vehicles on the site and in no circumstances are driving lessons permitted.

10. **In view of the possible danger to caravans and cars the flying of drones, kites or model aircraft, the playing of ball games including swingball (other than in the designated area), the use of guns, air pistols, catapults and other dangerous toys and the riding of bicycles or scooters (including electric) and the use of remote control cars on the rally site is strictly prohibited.** Drones are banned from the rally field and any Centre event unless you have prior agreement from Head Office. This rule reflects the Club's rules for the use of drones on all Club sites, which are also banned without prior agreement from Head Office. Any unauthorised use of drones by members on the rally field or Club sites will face disciplinary action.

11. Open fires are not allowed on the rally field unless permitted by the Rally Marshal. Approval for the use of barbecues, gas lights and gas heaters also rests with the Rally Marshal. Users should not cause inconvenience to other members and must exercise caution to avoid creating a fire hazard. It is recommended that a bucket of water is placed within the vicinity of each barbecue whilst in use. **Heaters in Marquees.** The Club strongly advises that Centres do not put a gas patio heater under a gazebo or canvas as they emit high levels of heat, which will naturally rise, and can present a fire hazard. Usually the tent/marquee fabric is fire resistant, however sustained exposure to heat in close proximity is not advisable. These burners, typically propane, also produce carbon monoxide and dioxide and require a lot of ventilation.

12. Always carry levelling blocks, a fire extinguisher minimum 1kg Dry Powder or equivalent, an approved fire blanket, a first-aid kit and sufficient water for immediate needs.

13. When the rally field is too wet a hazard flag will be flown. To avoid unnecessary damage to the field, members should not remove their cars or caravans without the permission of the Rally Marshal when the flag is flying.

14. No competitions involving the use of motor vehicles in motion on the site will be permitted.

## HYGIENE

15. Members must provide their own toilet and must empty the contents into the pit, or disposal point provided. It must not be charged or rinsed directly from a drinking water tap. Waste water must be collected into a receptacle which does not leak or overflow, normally disposal will be along a hedgerow. The use of filters or similar contrivances is precluded.

16. Dogs must be kept under control and on a lead no more than 2 metres long, and if the dog is tethered it must be within the boundaries of your rally pitch. Animals must be exercised away from vans and any fouling cleaned up promptly. If an animal is left in an outfit, it must have adequate ventilation and water because of the speed by which temperature can rise in an outfit. After due warning any person in breach of this rule may be asked by the Rally Marshal to leave the site.

17. The Elsan Pit must only be used for toilet disposal, not for waste water or rubbish. Please take all refuse home, leaving no litter, including tea bags on or about the site.

## GENERAL CONDUCT

18. Each caravan must be placed on the pitch indicated, with the right-hand corner (front) over the marker. The towing vehicle should, where possible, be parked on the right-hand side of the caravan.

19. At some rallies the reservation of pitches will not be permitted. Otherwise the reservation of pitches is limited to one pitch except in the case of the Rally Marshal requiring convenient pitches for assistants.

20. At the expiration of the period of the Rally all caravans must be removed from the site unless prior arrangements have been made by the Rally Marshal with the owner.

21. Where a full awning is not erected, a free standing Pup/Dome tent may be erected, in situ and in the space otherwise provided for a full awning on the nearside of the caravan. The tent must only be used as additional sleeping accommodation and must not exceed 6ft by 8ft. The tent must be surrounded by a wind break for protection of the occupants, which must also have reflective tape attached to it on its outer extremity and/or peg lines. No fire and/or gas appliances will be allowed in the tent under any circumstances. The tent to contain no more than two occupants. All occupants must be dependents or in the care of members of The Caravan Club.

22. Excessive noise should not spoil the pleasant atmosphere at rallies, and you are asked to avoid all unnecessary noise especially after children have gone to bed, and certainly after 11.30p.m. Official or private parties should under no circumstances cause annoyance to people not attending them.

23. Generators may only be used for a maximum period of two hours in any one day between the hours of 10am-12 noon and 4-6pm. They must not be left unattended and are to be placed on the nearside of the member's outfit. However, this restriction will not apply to the use of generators by the Rally Marshals as may be required for activities or amenities provided as part of the rally. Nor will it apply to members who need to run their generator due to a medical condition, should no other means of power be available and with the prior approval of the Rally Marshals.

24. Sleeping in motor vehicles, other than motor caravans, is not allowed at rallies.

25. Members must ensure that their children do not trespass or damage the site owner's or adjoining owner's property. Parental control must be exercised over children at social events.

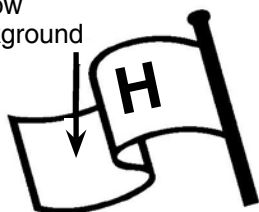

26. Should it be necessary to use Land Rovers etc. for the movement of cars and caravans, the Club, Centre, Rally Marshal, owner or driver will not accept any responsibility for any damage which may occur. A donation towards the cost of fuel will be appreciated.

27. The use of a rally site is a privilege and it is the members responsibility to ensure that the privilege is not abused.

28. With the exception of Overseas Holiday Rallies which may be booked when they are advertised, booking of all other Rallies can be made from the **1st December** each year. Details of these will be published on the Centre Website during the preceeding December. For those members without access to the Centre Website, a list of rallies together with the name of the lead marshal, will be available from the Rally Secretary from 1st December upon request.

29. The foregoing are supplementary to the obligation which all members undertake on joining the Caravan Club and which includes the observation of the Caravan Code and Country Code.

## TREASURER'S MESSAGE

Fellow Ralliers,

This year there is a full rally programme that we can all look forward to in 2023.

I would like to continue thanking all Rally Marshals for their hard work and efforts in dealing with the financial aspects of running rallies.

If any Rally Marshals have any worries and concerns over this aspect of running rallies please do not hesitate to contact me, I'm sure between us we can resolve any issues.

Again, just a gentle reminder, please inform me of any payments made into the Centre bank account.

Many thanks and looking forward to seeing you all on the rally field.

*David Woolley*

## EARLY ARRIVALS

***Please remember that the Rally Marshals need to have time to set up their own outfit, and prepare the rally before you arrive - please adhere to the published rally opening times.***

***WHEN FILLING IN RALLY SLIPS WILL YOU PLEASE USE YOUR MOBILE NUMBER IF YOU HAVE ONE AND PLEASE FILL IN YOUR E-MAIL ADDRESS AND TELEPHONE NUMBER CLEARLY AND LEGIBLY TO MAKE IT EASIER FOR YOU TO BE CONTACTED IF NECESSARY.***

## THE BROCHURE SECRETARY

I would like to thank everyone who has assisted with this year's brochure especially Kath for keeping me supplied with coffee. You, the rally marshals for all your efforts in getting back to me your information early. The proof readers this year are Tim and June Norris and John and Sue Holroyd. I hope there are only a few mistakes and I am sure you will point them out to me over the next 12 months.

Rally Marshals can help by giving their information to the Rally Secretary as soon as possible for the following year.

Remember what you as rally marshals put on the form is what goes in the brochure and also now goes onto the Caravan and Motorhome Club website and into the supplement that is available on-line.

See you on the rally field.

*Dave Young*

## SPORTS CO-ORDINATORS REPORT

Hi Everyone

Our Centre Sports is going to happen this year at the Chairman's Rally at Rillington near Scampston in June on the Saturday morning, it will be a busy day so please help if you can. Hopefully the sun will be shining and we will have lots of fun.

The Joint Yorkshire Sports Rally and The Six Star Rally have now been rested and the Festival of the North rally does not entertain any sports, so the Chairman's in 2023 is where you can win trophies and medals.

Looking forward to seeing you all on the rally field, and all the sporting events. If you have any new ideas, feel free to approach us on the rally field.

*John Holroyd*

### **HAVE YOU THOUGHT?**

What would happen if one weekend the weather was very wet and the rally marshals decided not to turn up. You would, to say the least be very disappointed and upset.

### **HAVE YOU THOUGHT?**

That when you book for a rally and then do not turn up, without telling the rally marshals, that they too are very disappointed and upset, but even more important they may have reserved social tickets and arranged catering.

### **SPARE A THOUGHT?**

For the rally marshal. He is not a paid employee of the club. He does what he does because in an organisation like ours the voluntary effort put in by such people enable the rest of us to enjoy our rallying.

Without THEM - WE have no hobby.

***If you find at the last minute that you cannot make it to a rally, please do everything possible to let the marshal know and avoid them incurring financial embarrassment.***

Thank you.

### **Renewal of Your Centre Registration**

With so many of us paying by Direct Debit it is easy to forget that your Centre Registration has to be renewed each year at the same time as your Club Membership. Your new membership cards are sent out in the first half of the month in which your Caravan and Motorhome Club subscription is due i.e. If 30th June is your renewal date your cards will arrive around the 10th June.

If you pay your annual subscription by continuous credit card and the expiry date of your Club Membership has passed you will be unable to re-register to the Centre of your choice on the website.

If you pay your annual subscription by Direct Debit you will be unable to re-register to the Centre of your choice once you are within 10 days of your Club Membership expiry date.

Therefore to re-register to a Centre outside of the above dates, please call the Contact Centre on tel 01342 318 813 Monday to Friday between 0845 and 1730.

If you are registering to a Centre for the first time, this can be processed on the website in the normal way.

You will perhaps be amazed that with around 1000 members registered with the Centre, how many fail to renew their Centre Registration within the time allowed by the Caravan and Motorhome Club.

The onus is on you, the members, to renew your Centre Registration which is totally separate from renewing your Caravan and Motorhome Club Membership.

***Renew it or lose it***

Sandra Andrews, *Membership Secretary*

# HAVE YOU BEEN ON A RALLY YET?

## IF NOT, THEN READ ON AND GIVE IT A TRY!

It is simply a gathering of Caravan & Motorhome Club members, for a weekend or holiday, to promote friendship and pursue many pleasures, pastimes and sports, in a light hearted manner and have some fun along the way. You should never feel obliged to join in anything which does not interest you.

The Rally Marshal is an ordinary member who has volunteered to organise and run the Rally. This usually includes arranging the Rally with the landowner, signing the approach to the Rally field and organising competitions and entertainment for all ages. This may include a social on the Saturday evening which is a family event with games for the children and dancing for all ages or a party in the field in Summer with sporting and fund raising events and walks throughout the season. Arrangements for a water supply and facilities for the disposal of waste water and toilet emptying will be made. Newspapers may be ordered in accordance with your instructions on the slip if there is a newspaper shop in the immediate vicinity to the rally field. The Rally start times are printed in the Rally Brochure, so please do not arrive before that time; this is to allow the Marshal sufficient time to prepare.

On arrival at the field, drive up to the Rally Marshal's van where all will be revealed - please advise the Rally Marshal that this is your first rally. You will then be handed an envelope containing the Rally programme of activities and simple advice on local amenities, restrictions and arrangements for waste water etc. Towards the end of the Rally there is a "round the flag". This is where the Ralliers gather at the Marshal's van to hear the results of the competitions, extend thanks to those who make the Rally possible, particularly the Marshals, welcome visitors and new Ralliers and announce forthcoming events.

All you need in addition to items you would normally expect to take on a commercial site, is your own toilet together with a water container to fill it (toilets must never be taken to the drinking water tap, this is a serious health hazard), a waste bin for dry waste which you have to take home with you; simple wooden wedges and blocks are sometimes required for sloping fields. The field is marked out to ensure ample spacing between caravans and a pleasing appearance. It is intended the front offside corner of the caravan is on the marker and the owner's car is parked along the offside.

Finally please read the rules which appear on the previous pages and where necessary, make sure the other members of your family are aware of what is expected of them.

## NEW VENUES & RALLY PROGRAMME FORMATION

Using the current guide lines for rally allocation (see page 31), one sure way of becoming a Rally Marshal is to find a new venue, you would then have first choice of running it.

From February the Rally programme will be with all Committee Members for anyone interested to see how the programme is developing, but please remember that until the Rally programme is ratified by the Committee at the September meeting it is subject to change. If you have a Rally that you would like on a certain weekend because of a special event please let me know.

## PROBLEMS CONTACTING A RALLY MARSHAL

If for any reason you have difficulty contacting a rally marshal about their rally then please contact myself Denis Brennan (Rally Secretary), or Tim Norris (Assistant Rally Secretary) who I am sure will be able to help you.

**Denis**

## RALLY SECRETARY'S MESSAGE

Another year has gone and it is once again time for me to thank all who have contributed to this year's rally programme, especially the landowners who always make us feel welcome. My thanks also to my Rally Sub Committee for their hard work and time spent putting this Rally Programme together. Finally I would like to thank you, the marshals, and all who attend the rallies.

We have put together a programme that contains something for all ages and tastes. If you have any ideas for new venues for 2024 then please speak to me on the rally-field or give me a ring. You do not have to run the rally yourself but will be given first refusal.

If you have never marshalled before then please think about having a go in 2024 - speak to me or any member of the Committee about what it involves.

I look forward to seeing you on the rally-field.

**Denis**

## SITE FEES

Site Fees are correct at the time of going to press. Your Committee have no control over changes made by the site owners or the Government. Where site fees are shown they are inclusive of 20% VAT. Generally social events carry an additional cost.

## GUIDELINES FOR ALLOCATING RALLIES TO RALLY MARSHALS

Published with the unanimous agreement of your Committee, these guidelines for rally allocation to marshals have been used successfully for a number of years.

### Number of marshals

Centre rule 4.5 highlights the number of marshals allowed to run a rally. For rallies greater than two nights there is a separate rally form to make the necessary request to Committee for additional marshals plus the appropriate reasoning. In this way there is a record of the request as the brochure is being put together from the rally form returns.

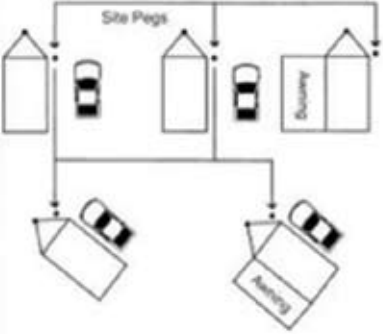

### Allocation of rallies to rally marshals

- If a venue is used more than once a year but for different reasons / events functions, the rally will be offered to the last marshal for that event at that venue. In the case of a new event at a used venue then the venue will be offered to finder of the event, in the case of a centre event it will be offered, by discretion of the Committee, during the formation of the rally programme. It may well be that there will be occasions where more than one rally marshal runs an event at the same venue in the same year. Close consultation will be made throughout the formation of the rally programme with the Landowner and / or agent.
- Repeat rallies for the same event, will be offered in the first instance to the previous marshal, then the co-marshal, then the floor.
- Re-introduced rallies / event will be offered as above. However for fairness and encouragement to new marshals, it is hoped that if the previous marshal is holding or co-marshalling say 4 to 6 rallies or more, including new venues, then they will allow the re-introduced rally to go the floor first time round. Some common sense and goodwill is required in the spirit of fairness.
- New venues / events, will be offered in the first instance to the finder. If the offer is not taken up it will be offered to the floor.
- Where a rally is open to the floor, members interested should make their choice known by the show of hands. For fairness, there will be one chance per husband and wife partnership. In the event of more than one partnership interest - cards will be drawn Ace high.
- In the event of a re-introduced rally not being taken up first time round, the previous marshal if holding a large number of rallies as indicated may take up the offer if previously declined.

### Support for new venues

- A new venue found will be encouraged to run for at least two consecutive years, the year of introduction and the following year.

**SITING OF  
CARAVANS  
AT RALLIES**

Where Rally Marshalls have set site pegs, the caravan should be parked with the front offside corner as near to the peg as possible, unless told to do otherwise.

**SPACING OF CARAVANS AT RALLIES**

There MUST be a minimum space left clear of 3 metres (10 feet) between adjoining outfits (car, caravan and awning) in any direction.

It is however recommended that 6 metres (20 feet) is left between facing walls of adjacent caravans, while still ensuring that a minimum of 3 metres (10 feet) is left clear between adjacent outfits (car, caravan and awning). A 20 foot space would allow a car to be parked in the space alongside each van without encroaching on the 10 foot minimum clear space that has to be kept. If an awning or sun canopy is erected the space between facing walls of adjacent caravans will need to be greater than 6 metres (20 feet) to accommodate a car, caravan, awning and a 3 metre (10 foot) space. This minimum 3 metre (10 foot) space must be left clear throughout the rally and must not be encroached upon. This means that awnings, canopies, tarpaulins or windbreaks must not be used to join caravans together.

A minimum distance of 4 metres (13 feet) between lines should be allowed for easy access of emergency vehicles.

**Safety on Rallies**

1. All vehicles are not to exceed walking pace on site and keep to the perimeter tracks as much as possible. Watch out for children playing.
2. Do not light portable barbecues near caravans or awnings without informing the Rally Officer. Beware of the dangers from sparks and sudden changes of wind direction.
3. It is advisable to have a suitable multi-purpose fire extinguisher sited near the door of the caravan, or a fire blanket. Note that dry powder extinguishers are more reliable if inverted and shaken smartly. Remember cooking oil is a great fire hazard.
4. Children should not be left alone in the caravan at anytime.
5. A special note to owners of cars fitted with catalytic converters - due to the high temperature of the exhaust pipe there is a danger of igniting the grass.
6. Where Rally Officers have set out site pegs, caravans should be parked with the offside corner as near to the peg as possible, unless told to do otherwise. All "A" frames must face the same direction.

**Northern Region Competition Rules**

**The George Clarke award for Exceptional Commitment**

**Purpose of the award**

To honour exceptional commitment to caravanning. 'Exceptional' is very subjective and must be considered to be outstanding i.e. well above the norm.

**Promotion of the award**

It is suggested this is promoted through the Regional website, Centre websites and handbooks.

**Frequency of Presentation**

It is suggested that this is an annual award, taking the form of a trophy to be presented at the Northern Region AGM. However as the award is for exceptional commitment, it is suggested that this only be presented in exceptional cases. There may be a year where no nomination is received, or where in the judges' opinion, commitment is not considered to be exceptional.

**Eligibility and Judging**

The nature of the award is likely to favour club members who are and have been very active at centre or regional level (not necessarily within Northern Region) over a number of years.

**The following suggestions are made regarding eligibility to receive the award:-**

1. Restricted to Club members currently residing in the geographical area covered by the Centres which form Northern Region.
2. Nomination may be received either through the Centre or direct to the Northern Region Secretary by the 30th September.
3. Northern Region Council will consider the nominations received and agree whether an award should be made and the name of the person to receive the award.

**Suggested Rules**

1. Nominee must be a current Caravan Club member nominated by another current Caravan Club member (not an immediate relative) who resides within the Northern Region or a member of a Centre within the Northern Region at the time of nomination.
2. Nominations must be in writing clearly stating the exceptional commitment shown to caravanning which merits the award. This should be based on evidence.
3. Points 1 to 3 in the previous paragraph are also considered to be rules, but have not been repeated here
4. Whilst a member who has been nominated for the award (and not won it) can be nominated again in a subsequent year, no person who has won the award is eligible to win it again
5. The awards council decision is final and no feedback on why a particular nomination was unsuccessful will be given.
6. The trophy will be held by the winner for approximately one year. The winner will be responsible for returning the trophy to the Regional Secretary by a date to be agreed. Secretary to contact the member approximately 6 weeks before the next presentation to arrange for the trophy to be returned.

**Northern Region Photographic Competition**

**Rules**

1. Must be a member living in the Northern Region or member of the Northern Region.
  2. Photo's must be 7" x 5".
  3. Pictures have to have been taken over the last 12 months.
  4. All photographs must be un-mounted.
  5. The subject is an attractive location or local event within the Northern Region.
  6. Entries must be submitted by 24th September to The Northern Region Secretary, 27 Saltergate Road, Darlington, Co. Durham DL1 3DX. (Entries will not be returned unless accompanied by a suitable SAE.)
  7. Entries to be marked on the rear with name, membership number, home town, Centre and photograph location.
  8. Judging will be done at the October Regional Council meeting by all the delegates present.
  9. Winner will be announced at the Regional AGM.
- A prize will not be awarded but the winners photograph will be produced on the Northern Region web site and all the Centres within the Northern Region.
- There is a trophy to be held for one year and a small replica shield to keep.
